## WOCAM NEWSLETTER

# Kennebunk Savings Bank!

## You're the Best!

They are the Best but our members aren't far behind. In 2008 we received 90 votes and got a nice check, but in 2009 when more non-profits were in the 'sharing', surprisingly we did even better and received 106 votes. This year we must be doing something right because the competition is greater still with the economy hurting everyone, but our members are greater also. In 2010 we received an incredible

(left to right) KBK Svgs. Senior V.P, Eric Andrews, June Messier, WOCAM Treasurer, Joe Allara, Chairman BOD, Ron Allen, Treasurer, Suzi Franklin, Office Mgr., & KBK Svgs. President & CEO, Brad Paige Presentation of the Customer Ballot check

175 votes. (Almost 70% more votes than last year.)

We were thrilled to accept a check for \$1,400.

Some organizations got a small check of \$25. and another received over \$7,000., but only twenty plus organizations received over \$1,000. We were one of them thanks to YOU! Kennebunk Savings Bank has contributed hundreds of thousands of dollars to local non-profits this year and that's why we think, They're the BEST!

In this photo you see the same people but different check!

**Yes.** Kennebunk gave us a second check! This time for \$7,500. from the Huntington Common Foundation to match our Generator Fundraiser. Is it any wonder we think they are terrific? As you probably know, they gave us thousands of dollars to help get our Center built and as you can see, they just keep on giving.

And who else has been very generous to us this month? Well a lot of people. But one other stands out because a lot of you are going to enjoy these particular gifts. See Page 4

## News From The Office

1. George Hersom very graciously accepted the position of Vice-Chairman on the B.O.D. in addition to his busy schedule picking up recycled cans in Ogunquit, working on the pancake breakfasts and doing duty at Weds. Bingo nights to mention a few of the activities Thank you George for all that you do.
2. Barbara Ingraham won the two tickets to the playhouse for attending our monthly meeting. Congratulation Barbara. Join us in August for our Member's Meeting and maybe you'll win!
3. We have set up our Mass Mailing Committees and you may be contacted to assist. Please respond positively as we will need volunteers.
4. Have you renewed your membership yet?? Beginning with the Oct. newsletter, we will no longer mail a newsletter to members not current, but our newsletter is always available at the Center. You are all very important to us, so please take the time to renew your membership.

# Letter to the Editors

Dear Editors: Thank you for all the information you make available in the newsletter but I was wondering if you could also print the trolley schedule and cost as that is something a lot of visitors would find interesting. My husband and I would also like to thank the Center for making the As You Like It meal tickets available. I don't know how the program is handled or financed but the meals we have received for \$4. are worth a lot more than that. We have introduced friends from out of state to the meal tickets, and they aren't aware of anything like this back home in Virginia. Signed B.F.

Dear B.F. The trolley information is readily available at the Center or at the Wells or Ogunquit Information Centers (also on Rte 1).

We try to use the newsletter space to address issues and activities pertinent to our members. The schedule information is not ours to reprint and is probably protected against others using it in print. As to the As You Like It meal tickets, that program is federally funded and we aren't sure how much longer it will be available with all the budget cuts necessary. My suggestion is to enjoy it while it's available. I know many of our members are using it and your friend from out of state should inquire about it at her local senior center when she gets home.. Signed, Sheena & Marie

### And who else has been very generous to us?

A picture is worth a thousand words. So who and what do you see?

You see Bob Busierre of NetVision Technologies who is our resident Computer Tutor and who donates his time to the Center twice a month to give classes to members from 60 to 90+ years of age. Bob also maintains our website which is fabulous and helps the Staff solve all their computer problems. And then, when necessary, he wires and sets up our computers in the computer lab for members and public use. We don't say "Thanks Bob" enough but we think it often.

And then there is **WALMART!** Jim Reed, who works for Walmart mentioned their 'grant giving' to Ann who mentioned it to Joe, who mentioned it to Suzi, who wrote to Walmart, and the result was **a thousand dollars from Walmart, Biddeford.**

We used the money to replace the old computers and now we invite you to come and try them out. They are fantastic. Ask Jack Leary and Lucille Haddock who you see having a lesson on them in the picture.

### Teenage Picture Challenge Results !

Well, the answers are in and nobody got all of them right but **Sylvia Cable and Marie Hastie** tied for the most correct answers and received a prize for their achievement. We don't see how **Peg Noonan** can come up with a better contest next year, but as she says, "let's get this year over with first!" There were some great pictures with some people dead giveaways and others very difficult to recognize. **Joe Allara** had a lot of company when he said, "the only one I got right was myself and I wasn't sure about him!"

Your choices are many, pinoche, bridge, cribbage, crafts, hand & foot, line dancing, etc. etc.
